[14.105 Installation of a system based game or a system supported game.

A licensee shall not install or use a system based game or system supported game without prior written approval of the system network implementation from the Chair. Additionally, any modifications to the approved network implementation must be approved by the Chair. Applications for approval to install or modify a system based game or system supported game shall be made and processed in such manner and using such forms as the Chair may prescribe. The applicant seeking approval of the installation shall pay the cost of the investigation.]

EFFECTIVE UPON ADOPTION BY THE NEVADA GAMING COMMISSION.
